*Job Location:	Newport Beach, CA	Level/Salary Range:	Commensurate with Experience
*Job Description			
<p>Mont Pelerin Capital LLC is an investment firm that manages two long/short equity hedge funds. Mont Pelerin’s focus is on earning superior returns by investing in high quality growth companies. The firm invests in a portfolio that is sector-diversified across seven to ten industries with none dominant. Furthermore, Mont Pelerin invests across the spectrum of capitalization sizes in companies based both in the United States and internationally. The investment approach embraces many of the company-specific practices employed in the private equity world and applies those practices to publicly traded securities.</p> <p>The long/short equity investment analyst position is focused on performing detailed investment research and financial modeling for a portfolio of both domestic and international securities.</p> <p>Qualifications for this position include: Fundamental knowledge of accounting and finance necessary, including financial modeling. Well organized, high energy level/self starter, must work well in a team environment. The ability to work effectively and professionally with all levels of personnel. Strong quantitative and analytical skills. An ability to clearly communicate complex strategies verbally and in writing. Enthusiasm for the financial markets and investment management. Knowledge of Outlook, Excel, Word and prefer some knowledge of Capital IQ, Baseline, and other financial information provider systems.</p>
